Greetings,

CDSS invites you to participate in a series of upcoming Cal-OAR Forums. The forums are designed to supplement CDSS Cal-OAR webinar and in-person trainings with the goal of supporting ongoing learning and strengthening lines of communication. The forums are an opportunity for counties to dialogue with one another and CDSS staff regarding Cal-OAR implementation and administration.

The agendas will be flexible to meet county needs covering, among other things, any questions that have arisen from recent trainings and Cal-OAR guidance, discuss challenges, and receive timely responses. CDSS staff will be available during the forums to help answer questions ranging from Cal-OAR policy, to automation and data, to Cal-OAR resources, training, and support.

The first Cal-OAR Forum is scheduled for **Wednesday, May 22nd from 11am – 12pm**. Further details are below.

What: Cal-OAR Forum conference calls

When: Every 2nd and 4th Wednesday from 11am – 12pm

Who: CWD, CWDA, and CDSS Cal-OAR implementation staff

Conference Line Call-In Number: (888) 455-1910

Participant Access Code: 7192322

Cal-OAR Forums are optional for county staff, but we believe they will serve as a valuable opportunity to get your questions answered and collectively dialogue with both county and CDSS staff. As such, we encourage you to add them to your calendars and join in as often as you are able.

Thank you in advance for your participation and partnership, and we look forward to working with you to address Cal-OAR training and support needs.

Sincerely,

CDSS Cal-OAR Implementation Team
